

# **5 vor 12- It's five to twelve?!- najwyższa pora?! What makes you tick?**

## **What's going on?**

Every summer UNITHEA takes place in the border cities of Frankfurt Oder and Slubice. From 27th- 30rd of June 2019 we are inviting visitors of these cities but also visitors, from all over the world to celebrate with us.

UNITHEA is an international festival that involves various types of art. For instance theatre, music, dance, surrounded by exhibitions, workshops and other creative performances.

The most special thing about the festival is its organisation. It is organised by the local and international students of the Europa-Universität Viadrina as a part of a Cultural Studies course.

The Oderland stands for the encounter of different cultures. UNITHEA is responsible for strengthening the ties between Poland and Germany bringing the citizens of Frankfurt (Oder) and Slubice together.

## **The clock is ticking!**

Especially in these uncertain times of Europe that are marked by big changes and fear. We want to light a beacon of hope! Let us convert the clocks hand and take the plunge to a new conception of time! There is an urgent need for action. The future is yours- Show it!

## **Let's convert the clocks hand!**

You don't want to be a small cog in the gear? Us neither. Tick. Tack. We want to be the leaders of our actions and want to move and create our own future.

How does your future scenario look like? Does the pointer turn around Dystopia or Utopia? Around pragmatism or dogmatism? And where are the boundaries between visions and illusions? The current festival Edition of Unithea #22 is dedicated to the multivarious range of art patterns which allow us to overthink the future and create it completely new.

### **It's high time?!**

Picture yourself: Everything stays the same. Just how it is right now. What would you do? In the economical, ecological, social, cultural and sociopolitical way?

There is no time to waste?! At twelve the clocks hands cut across. There is almost no time left?! Seize the time. NOW!
